My Dear teachers ,
You are like our second mother

The sun gives us light,
But you make our future bright,

The Arabian sea is at the west
And our teachers are the best

Every story has an end
but you are our best friend

Your work is a work of the heart.
You get up early and often go to bed
late planning and thinking about
your classes. Even when you are
tired, you put a big smile on your
face so you can teach
and reach the hearts and minds of
children. We may not remember everything
you said But, we will remember how
special you made us feel. THANK YOU SO MUCH
